TO MONTANA, OREGON AND WASHINGTON.

If you are going west bear in mind the following facts: The Northern Pacific Railroad now operates 967 miles, or 57 per cent. of the entire railroad mileage of Montana; spans the territory with its main line from east to west; the short line to Helena; the only Pullman and dining car line to Butte, and the only line that reaches Miles City, Billings, Bozeman, Missoula, the Yellowstone National Park, and in fact nine-tenths of the cities and points of interest in the territory.

The Northern Pacific now operates 821 miles or 56 per cent of the railroad mileage of Washington, its main line extending from the Idaho line via Spokane Falls, Cheney, Spangum, Yakima and Ellensburg, through the center of the territory to Tacoma and Seattle, and from Tacoma to Portland. No other transcontinental through rail line reaches any portion of Washington Territory. Ten days stop over privileges are given on Northern Pacific second class tickets and all points west, thus affording intending settlers an excellent opportunity to see the entire territory without incurring the expense of paying local fares from point to point.

The Northern Pacific is the shortest route from St. Paul to Tacoma by 231 miles; to Seattle by 177 miles, and to Portland by 243 miles—time correspondingly shorter, varying from two to two days, according to destination. No other line from St. Paul to the coast has so many passenger cars of any kind into Idaho, Oregon or Washington.

In addition to being the only rail line to Spokane Falls, Tacoma and Seattle, the northern Pacific carries mail, express, freight, and passengers between Minnesota and Dakota, Montana, Idaho, Oregon and Washington. Bear in mind that the Northern Pacific has the finest service in scenic route to all points in California.

For rates of travel, baggage, meals, and books giving you valuable information in reference to the country traversed by this great line from St. Paul, Minneapolis, Duluth, Ashland to Portland, Oregon, and Tacoma and Seattle, Washington Territory, and also close up of Washington Territory, printed in colors, address your nearest ticket agent, or C. The fact that it is being shipped to the state capital expressly for the use of the executive table speaks well for its excellence. The Colvins are shipping their breadstuffs to many places, and their trade is rapidly growing. There is none better.

THE CALEDONIANS.

A ROYAL GOOD TIME AT MILTON JUNCTION LAST NIGHT.

The Rock County Caledonian Society and many of their friends had a royal good time last evening at Milton Junction, the occasion being a social and entertainment given by the society in Grange hall. There was a large attendance of ladies and gentlemen, and it was a gathering of pleasure to all. President James Mills presided, and after calling the assembly to order Mr. Wm. Paul, of Milton Junction, welcomed the guests in a few well chosen words. The first in order on the programme was the literary and musical entertainment, Mr. D. H. Kuller, of this city, leading off with a well rendered song entitled "The Cameron Man." He was followed by Mrs. Florence Forbes, of Milwaukee, who sang "Whistle and 'I Come to You, My Lad," in her captivating manner, and was loudly applauded. Ed. Ehringer with song and piano accompaniment was followed by a recitation by Mrs. J. B. Day. Then came George Skinner with the "Banks and Brae" of Bonnie Doon. Miss Forbes and Mr. Rust sang a pretty duet, "When Ye Gang Awa', Jamie?" Mrs. Day was again called upon for one of her favorite recitations, and was followed by Miss Annie Carr, who sang a pretty song, playing by own accompaniment. Ed. Ehringer was determined the audience should not rest easily, so he again appeared with his banjo, creating much merriment. "Within a Mile of Edinboro' town," was sweetly sung by Mrs. Forbes, she receiving the hearty applause of all. She was followed by Mr. Rust singing, "The Flower of Dublin," which concluded this part of the programme. The floor was then cleared and a few hours spent in the social dance, Smith & Anderson's orchestra furnishing the music. The social was one of the pleasantest ever held by the society, and the committee having the arrangements in charge is entitled to great praise for the success of the entertainment. Several parties from the city attended, and all say it was a source of real pleasure to all who attended.

VIOLATING FIBER LINES.

FINED TEN DOLLARS EACH FOR DRAWING A SEINE.

Four fishermen from Lake Koshkonong, residing near Newville, says a Stoughton dispatch to the Milwaukee Sentinel, were arrested at Stoughton yesterday by Dept. Game Warden Severen, while drawing a seine in the river. They claimed to be fishing for minnow, but had already taken out six barrels or about nine bushels, which consisted of a variety of perch, bass, suckers, redhous, shiners, chubs and fish of all kinds, by far too many 'even had they been all minnows, besides using a seine sixty-six feet long and six feet deep, contrary to law. They were fined \$10 each and costs by Judge Simonson, and the fish were dumped back into the river.
